1. We are in the middle of an education revolution. With the increase use and accessibility of technology to our students and community, old teaching methods which have been the same since the 1900’s, are now obsolete.

2. We have a shrinking middle class and the jobs in which the bulk of our students were filling are also shrinking. Our students today will be working jobs which they do not yet know about.

3. In a highly connective world we need our students to be creative, cooperative, connected and critical thinkers to adapt to the fast changing world.

4. Many of our jobs are being filled by computers, online technology or better machinery. In 1950, 50% of Australian jobs were in agriculture. Now only one percent is in agriculture. The same is similar for such jobs relating to the car industry, clerks and accountancy. Jobs on the rise are the creative ones. Repetitive task jobs are being increasingly filled by Asian and Middle Eastern countries.

5. Are we preparing our students for tomorrow or are we preparing them for 1960?

At Valley View we have begun a culture change with the way we teach our curriculum. The long term vision is that we are preparing our students for the workforce of tomorrow. We are about to begin our next 3 year planning cycle. A strong theme in that will be 21st Century learning models. If anything, the EduTech 2014 conference confirmed that we are heading in the right direction.

English Writing Unit Day
Last week, Team Leaders attended a workshop for writing English units of work. These units of work relate to the new syllabus outcomes and Australian Curriculum. In the coming weeks stage teams will be given time to cooperatively plan for their English units for next term. Teachers will be given the opportunity to work through these new units of work together with the ultimate goal of improving learning outcomes for our students.

OH Recorder
Today our Opera House Recorder group went to Ettalong Public School for rehearsal session. This small group of children have been working extremely hard and we know they will be extremely successful in their performances.

GIVE ME 5 FOR KIDS MONEY SNAKE

DAY FRIDAY 20TH JUNE 2014
It is with great excitement that we advise that the application and letter from Georgia from 5/6G has resulted in our school being selected to receive a visit from Sarah and Paddy during the Give Me 5 for Kids Fund Raising Month of June.

Sarah and Paddy are the breakfast announcers on the radio station 2GO, and they will be coming to meet our wonderful students and staff and see the coin snake that the Valley View student have made.

So as of tomorrow start collecting your 5 cent pieces and bring them into school every day (a jar will be in each classroom). Then on Friday 20th June we will put all our coins on the money snake and give all the money to Sarah and Paddy when they come. The class who raises the largest amount will receive a reward.

GIVE ME 5 FOR KIDS PYJAMA MUFTI – THANK YOU!
Thank you to Mr Stitt, all the teachers, administration and canteen staff, parents and students for your support of the fundraiser held last Friday 6th June, 2014.

I am pleased to announce that Valley View Public School raised an amazing $407.00!

I would also like to thank Mrs Pemberton for helping my mum count all the money so it could be taken down to Newcastle Permanent at Wyoming to be deposited.

Thank you all again from Georgia 5/6G

On Friday 27th June at 2:00pm, we have been fortunate enough to book a local Beatles Tribute band which is made up of local high school musicians in order to celebrate The 50 Year Beatles Anniversary.

SCHOOL FETE - WHITE ELEPHANT STALL DONATIONS PLEASE

What do we want? There are some suggestions below but if you’re not sure a good rule of thumb is: ***If you wouldn’t buy it, don’t donate it. We welcome your treasure but we don’t want your junk! ***All toys, games and sporting equipment will be gratefully accepted.

Board games and puzzles (complete sets only please) and toddler toys are always very popular.

They will also welcome DVDs, CDs, computer and console games, and vinyl records but no VHS videos please.

They need donations of kids’ picture books, older kids’ chapter books, adult fiction and non-fiction, sci-fi, horror, romance, classics... we’ll take any book at all that’s in good condition.

Have your kids out-grown their dress-ups? If so, you can donate them (the costumes, not the kids). Make a little fairy/princess/superhero/pirate, etc. happy and help raise funds for the school.

Women’s, men’s, boys’, girls’, winter, summer, clothes, shoes, all sizes—we’ll take the lot. To help with the mammoth task of sorting, we would be grateful if you could please bag or box your donations according to size and gender. Items already hung on coat-hangers will earn you a special thank-you.

Clean, good quality, undamaged clothing only please.

So all you have to do is have a clear-out and call me on 0422 616 292 and I’ll pick it up!!
Many thanks to you all.

Cheers
Sandra Vaughan (3/4S Classroom Connector)

P.S. They cannot accept televisions, computer monitors, VHS video cassettes, or large items of furniture. These items do not sell and cost money to dispose of. Please don’t donate them.
